*** IT IS AN OFFENSE TO CONTINUE WITHOUT THE CORRECT AUTHORIZATION ***

Individuals using this computer system with or without proper authority
are subject to having all of their activities monitored and recorded and
should have no expectation of privacy unless local law, regulation or
contract provides otherwise.

Anyone using this system expressly consents to such monitoring and to
all appropriate disclosure of any evidence of criminal activity to law
enforcement officials, as well as appropriate disclosure of any evidence
of violation of the firm's rules, policies, procedures or standards of
conduct to management.

Individuals using this computer system have a legal obligation to treat
all information on the system as strictly confidential and not to
disclose or allow such information to be disclosed to any third party.
This obligation survives any termination of employment with Morgan.
